

Privacy Policy

This Privacy Policy explains how REST & VEST LLC (hereinafter referred to as “we”, “our”, “us”, or “our company”) collects, processes, uses, and stores personal data that you provide to our company in order to receive services from our company.

REST & VEST LLC as a data controller collects and processes your personal data in accordance with Federal Decree Law No. 34 of 2021 on Combatting Rumours and Cybercrimes (Federal Law No. 34 of 2021) as well as other applicable legislation which regulates the storage, processing and use of personal data.

Our products comply with [Google API Services User Data Policy](#) including the Limited Use requirements.

The purpose of this Privacy Policy is to explain what information we collect, for what purpose, how we use this information, and what we do to protect it.

What data do we collect?

Our company collects your personal data:

- your first name, last name, gender, date of birth, and photo;
- creative pseudonym;
- country and address;
- residency;
- biographical information about you that you provide to our company;
- phone number, email address, and contact details of instant messengers, social media, and media platforms;
- your webpages, including social media;
- Google account and other accounts that you specify yourself;
- payment details;
- IP addresses;
- company name;
- your position.

How do we collect your data?

You directly provide to our company your data that we collect. We collect and process data when you accept our company’s Terms of Service (the “Agreement”).

How will we use your data?

Our company collects your data so that we can:

- enter into the Agreement with you and perform it;
- provide services to you;
- send you reports in accordance with the Agreement;
- send you money and receive money from you in accordance with the Agreement;
- inform you about the services provided to you;
- contact you if necessary;

The legal basis for the collection, processing, use, storage, and deletion of your personal data is your consent. By accepting this Privacy Policy, you consent to the collection, processing, use, storage, and deletion of your

personal data in accordance with the provisions of this Privacy Policy. If you do not agree to share your personal data with us hereunder, we will not be able to provide our services to you.

Your personal data will be collected, processed, and used under relevant agreements and pursuant to applicable law.

Use and transfer of data received from Google APIs to any other app will adhere to [Google API Services User Data Policy](#), including the Limited Use requirements.

How do we store your data?

Our company securely stores your data on our servers located in the EU and beyond. To preserve your data, we take all necessary measures to protect it from access by third parties.

For more information about where your personal data is stored, please contact us at dataprotection@air.io.

In order to provide our services, and for other purposes as set out herein, we transfer your personal data to banks and other financial institutions that we use to send money according to your payment details. We also transfer it to our affiliate or associate companies and partner companies involved in providing services to you.

We will not sell or distribute your personal data to third parties unless we have your consent to do so, or if it is required by applicable law, except where your personal data is transferred as expressly stipulated herein.

Our company will store your personal data for the purposes set out above for as long as necessary to achieve any of the goals stated herein, unless you request to delete it earlier, or to comply with applicable laws and decisions of competent courts and regulatory authorities. We will also regularly delete data that we believe is inaccurate, no longer relevant, or no longer necessary to achieve the goals set out herein.

Ensuring the security of your data

We have implemented technical and organizational security measures designed to protect any personal data processed by us. However, despite our security measures and efforts to protect your data, no online electronic data transmission or storage technology can be 100% guaranteed, so we cannot guarantee that hackers, cybercriminals, or other unauthorized third parties will not attempt to compromise the security of your personal data and collect, access, steal, or modify your data without authorization. Although we will do our best to protect your personal data, the transfer of personal data is at your risk. You should only access your Personal Account in a secure environment.

Data transfer outside the European Economic Area

We comply with Regulation (EU) 2016/679 (GDPR). Under that Regulation, citizens and residents of the European Economic Area (EEA) can expect their personal data to be properly protected when transferred outside the EEA. When we provide our services to you, the personal data you provide to us may be transferred to countries outside the European Union: to banks and other financial institutions that we use to send money according to your payment details and to our affiliate or associate companies and partner companies involved in providing services to you. We carry out such transfer of your personal data only if there are mechanisms in place to protect it. These mechanisms may include data transfers to countries where an adequate level of protection is established or to organizations with appropriate safeguards, such as a data processing agreement or compliance with the Standard Contractual Clauses of the European Commission (Decisions 2001/497/EC, 2004/915/EC, and 2010/87/EU). By providing your personal data, you consent to such transfer, storage, and processing.

We may transfer data to our associate company in Canada, which is considered a country ensuring adequate protection of personal data, as confirmed by the European Commission in Article 45 of Regulation (EU) 2016/679.
